CALIFORNIA SURFING AND CLIMBING IN THE FIFTIES

The Copa (“treetop” in Portuguese) lamp is a contemporary reinterpretation of the modernist table lamps, combined with the asymmetry of nature. At its base, a small bowl can be used as a daily object holder, while the effect of its light dissipates elegantly giving off a discreet and cozy illumination. A subtle connection to nature that makes home a refuge.

NAME
Copa Lamp

DESIGNER
Guilherme Wentz

YEAR OF DESIGN
2019

TYPE
Table Lamp

ENVIRONMENT
Indoor

MATERIALS
Aluminum
