WENTZ
MARĒ
COFFEE TABLE

Maré (“tide” in Portuguese) coffee table portrays the phenomenon of water transition. The table top is divided into three parts – and heights – simulating the arrival or the return of the waves. The choice for the long, rectangular base contrasts with the wavy shapes, which give life to the table’s layers. The furniture becomes a landscape for the room, or better: a landscape photography.

NAME
Maré Coffee Table

DESIGNER
Guilherme Wentz

YEAR OF DESIGN
2022

TYPE
Coffe Table

ENVIRONMENT
Indoor / Outdoor

MATERIALS
Granite, Steel

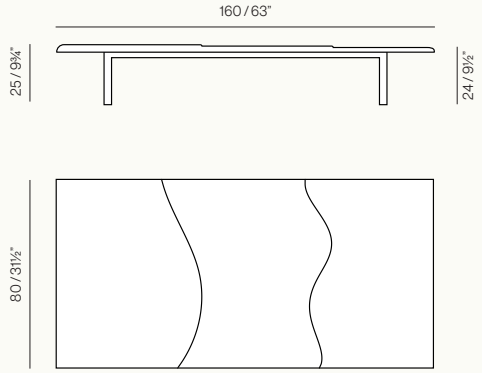

DIMENSIONS
80 x 160 x 25cm / 31½” x 63”x 9¾”

NET WEIGHT
185kg / 408 lbs

TECHNICAL DESCRIPTION
Coffee table with top made from a single block of machined granite/quartzite. Stone with matte finish. Brushed stainless steel structure.

NOTE
1 Natural materials are subject to color and texture variations. These characteristics are part of the product history and make every single piece unique.

DIMENSIONS

2 Stones pieces are treated with a waterproofing agent, allowing their use in outdoor environments by following the instructions below:
Stains caused by acidic substances (alcoholic beverages, coffee) or oily ones (sunscreen, fats) should be removed immediately with a damp cloth to prevent corrosion and permanent marks. If necessary, use a pH-neutral soap. Do not use abrasive sponges or brushes, nor harsh chemicals.
The waterproofing agent should be reapplied every 6 months. Additionally, covering the piece is recommended to extend its durability.
