WENTZ VOLTA TABLE

The Volta (“turn” in Portuguese) table refers to nature in its impermanence. The organic shape of its base gives the feeling of movement and constant (re) construction. While the evident texture on its surface highlights the natural finish of the wood veneer.
The tea table — last addition to the Volta series — is lower than the dining table to be used with lounge chairs.

NAME
Volta Table

DESIGNER
Guilherme Wentz

YEAR OF DESIGN
2019
